AGC New Mexico invites you to the Best Buildings Awards Gala

Congratulations to this year's winners of the annual Best Buildings Awards. This is the 28th year we've recognized and awarded member's submitted projects based upon the complexity and challenges of the construction process. The Best Buildings Awards Celebration honors the best in commercial construction and is attended by industry's top construction professionals, public and private owners, dignitaries and business community leaders.

AGC New Mexico's Best Buildings Awards are more than recognition of design aesthetics, these winning projects are judged by accomplished peers who look deeper into the construction management challenges, expertise of crafts and sustainability of a project.

This year, we celebrate **SIX impressive projects, 32 specialty craft member companies and YOUR INDUSTRY CHOICE WINNERS**. These winning companies exemplify outstanding construction management and specialty work, which embrace the latest emerging trends in project delivery and technology.

Construction matters and impacts all of New Mexico.

Why Should YOU Attend?

- ⇒ To gather with fellow construction professionals
- ⇒ To celebrate the best of our Built Environment
- ⇒ To invite prospective clients & advance your owner's understanding of a quality project
- ⇒ To reward your project teams
- ⇒ To invest in AGC's Workforce Development initiative including ACE Leadership High School
