

AGC Supplier of 6 Available the Month

SUPPLIER OF THE MONTH— MEMBER LUNCHEON OR CLC MIXER

In an attempt to profit through participation and promote our AGC members we like to feature a “Supplier of the Month” door prize drawing at the end of each member luncheon and CLC Mixer. This provides our Affiliate members an opportunity to feature their products and/or services.

These events are an excellent way to market your business. As a contributor, your business will be acknowledged during the event and on our chapter website for one month. A representative from your business will be invited to address the audience for a 2-3 minute marketing spot highlighting your business.

Item donated in the past include:

- gift cards
- discounts on corporate service
- give-away premiums
